God told
Jonah to visit
the people of
Nineveh. But
Jonah was
afraid and
didn't want to.

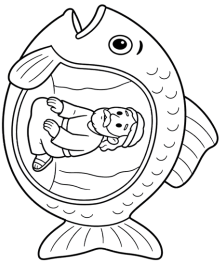

Instead of
obeying God,
Jonah ran
away and
sailed across
the big sea.

A strong storm
came and
shook the boat
all night long.

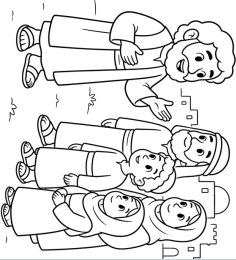

Jonah was
swallowed by
a giant fish in
the sea.

God kept him
safe inside the
fish. Then God
told the fish to
spit Jonah onto
dry land.

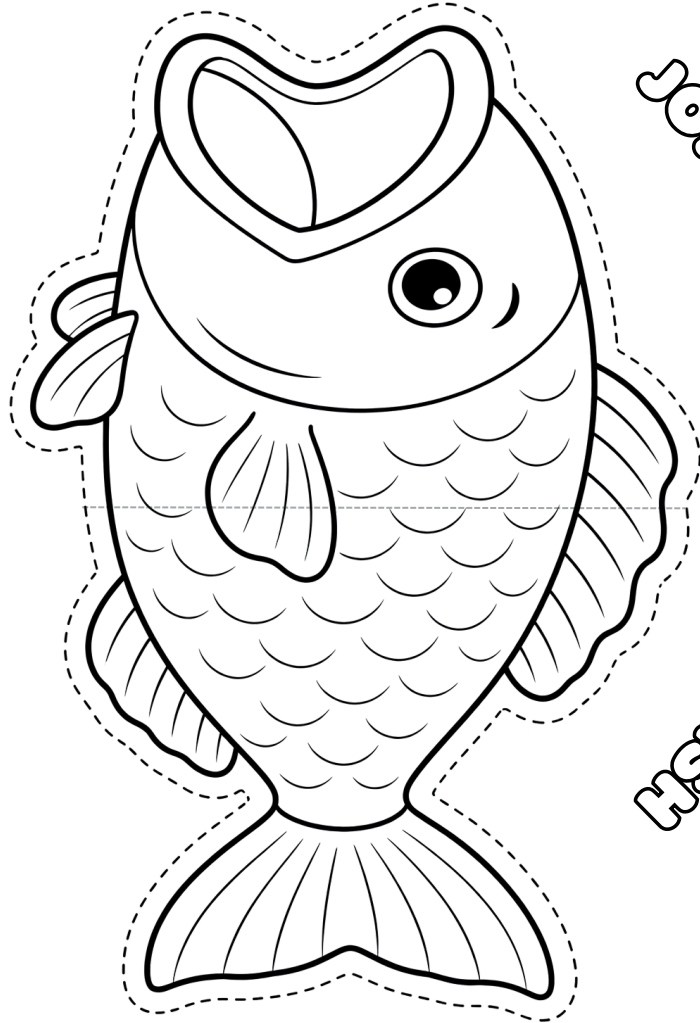

Jonah decided
to obey God
and shared
God's message
with the people
of Nineveh.
